THE ANNUAL LIST

The Top Attorneys in San Diego

THE SELECTION PROCESS

Super Lawyers, a Thomson Reuters business, strictly adheres to a rigorous selection process directed at casting as wide a net as possible, evaluating quality in the most objective possible terms and verifying and validating all data. The only way a lawyer can be selected to Super Lawyers is through this selection process. The determination of whether a lawyer will be placed on the Super Lawyers list is independent of advertising or any other payments. No other legal publisher identifies qualified candidates by using a multistep evaluation process that incorporates peer recognition and professional achievement. Super Lawyers uses a

system of nominations, peer evaluation and internal research, which acts as a system of checks and balances. You can find a detailed description of the selection process at superlawyers.com.

If you are in need of an attorney, we believe you will find Super Lawyers a good place to begin your search. But don't base your decision solely on this, or any other source. There are many fine lawyers who may not be included. You need to do your homework. And most importantly, you need to feel comfortable with the person you choose to represent you.
